RUMANIAN PARTY DECISIONS ON EXPULSIONS OF LUCA, GEORGESCU;  
COMPOSITION OF PARTY BUREAUS, SECRETARIAT

The following article gives the decisions of the 26 - 27 May 1952 plenary session of the Central Committee of the PMR (Rumanian Workers' Party), at which Vasile Luca and Teohari Georgescu were expelled from their party posts and the new composition of the Politbureau, Orgbureau, and Secretariat of the party was announced.

The plenary session of the Central Committee of the PNR met on 26 and 27 May 1952, under the direction of Gheorghiu-Dej. Reports were presented on the grave errors committed by the former heads of the Ministry of Finance and the State Bank of the RPR (Rumanian People's Republic), and the following conclusions were reached, unanimously:

1. Vasile Luca, having lost the spirit of the masses, broke away from the party and from the working class, surrounded himself with hostile elements, opposed party policies, introduced his own rightist tendencies in his work, stimulated the capitalist elements in villages and cities, and thereby brought great losses and difficulties to the working class.
2. Teohari Georgescu demonstrated the same hostile attitude and rightist deviationism of Vasile Luca and sought to hide his indifference toward the working class and his lack of a vigilant spirit.
3. In view of the foregoing evidence, Vasile Luca is expelled from the Central Committee and is directed to appear before the Party Control Commission. Teohari Georgescu is expelled from the Secretariat of the Central Committee of the FMR, from the Politbureau, and from the Orgbureau and is assigned to menial labor.
